📁 PROFESSIONAL EXPERIENCE

Developer, Foundever

2019 | Lisbon, Portugal

Web applications developer delivering digital solutions in ReactJS, Tailwind CSS. Collaborated with cross-functional teams to improve user experience implementing UI/UX design enhancements.

Utilized HTML, CSS, and JavaScript to create responsive and visually appealing user interfaces.

Implemented **REST API** integration and worked with **JSON** data formats. Designed and built a frontend machine learning model page with UI/UX input manipulation. Knowledge Bases and Digital assistants.

CRM Salesforce analyst, Wide Intercambio 1 yr | Agit 3 months

2018 - 2019 | Recife, Brazil

When working for Wide Intercambio and Agit later, I was responsible to review all CRM salesforce data and help implement impactful campaigns and product offerings though their webpage and instagram.

Freelancer, Licorice Prod.

2007 - 2019 | Recife, Brazil

During my time as a student, I engaged in freelancing on various government projects, contributing to both the music and visual industries as a producer and designer. My experiences included projects ranging from decoupage exhibitions in museums to creating showcases for movies and participating in the organization of music festivals.

🎓 EDUCATION

UNIAESO - Centro Universitário AESO-Barros Melo

2009 - 2012 | Olinda, Brazil

Production Softwares focused on digital media and arts
